 New street lighting is being proposed for installation near your property. The proposed installation is financed by a private developer as a City required condition of the development. This is your Notice of Proceedings necessary to finance the maintenance and operation of specified lighting at your property. Since 1935, Los Angeles City Policy has been that all benefiting property owners pay for the maintenance of street lighting near their property, which includes energy lamp changing fixture cleaning and repairs, and eventual replacement of deteriorated, obsolete lighting. To date, maintenance assessments have been collected only for the specified lights. The recently approved Proposition 218 requires that new and increased assessments be subject to approval by property owners.

ASSIGNMENT OF BILLS
 Only those properties with nearby streetlights have special benefit, and pay an assessment. The amount assessed based on the maintenance and operation of streetlights and are assessed (in accordance with City Policy) annually for street lighting maintenance.

Your property, being near the specified lighting, is being assessed and is proposed to pay a street lighting maintenance assessment consistent with Council Policy. Assessments for maintenance of streetlights are collected through the County Property Tax Bill. This is an annual assessment, which covers a 12-month operation period from July 1 to June 30 of this fiscal year. If the proposed maintenance assessment is confirmed and adopted, then the assessments indicated below will be collected for this fiscal year, as well as for the following fiscal year.

FOR INFORMATION, PLEASE CALL (213) 847-1500, Bureau of Street Lighting, 1149 S. Broadway, 2nd Floor, Los Angeles, CA 90015.
PROTEST PROCEDURE
 There is a protest procedure provided by State and City law (2 and 3 referenced below). Protests presented for consideration to the City Council are not binding, regardless of their number. The Council may accept or deny the protest at their discretion. Only a majority weighted vote against the assessment, of those voting, is binding.

Any person may file a written protest or appeal with the City Clerk at any time PRIOR TO OR ON THE DAY OF THE Final Public Hearing by the City Council on this matter. Written protests shall specify the ground or grounds upon which the protest is based, the name and mailing address of the person protesting, and a statement sufficient to identify the property for which the protest is being filed, and be delivered to the City Clerk, Room 395, Los Angeles City Hall, 200 N. Spring St., Los Angeles, CA 90012.

TIME AND PLACE OF PUBLIC HEARINGS
 Proposition 218, and other State and City laws, require a hearing at the Board of Public Works, a hearing at the Council, and a mailed Notice of the hearings and proceedings accompanied by a ballot.

Final Public Hearing: At 10:00 a.m. on 6/18/2024 in the Los Angeles City Council Chamber, ON THE THIRD FLOOR HEARING ROOM, 200 N.
