New Street Lighting is being proposed for installation near your property. The proposed installation is financed by a private developer at the City request and the condition of the development. This is your Notice of Proceedings necessary to finance the maintenance and operation of specified lighting near your property. Since 1935, Los Angeles City Policy has been that all benefiting property owners pay for the maintenance of street lighting near their property, which includes energy, lamp changing, fixture and pole repairs, and eventual replacement of deteriorated, obsolete lighting. To date, maintenance assessments have not been collected for the specified lighting. The City Council approved Proposition 218 requires that new and increased assessments be subject to approval by property owners. ASSESSMENT - AMOUNT AND BASIS Only the City Council may approve streetlights having special benefit, and pay an assessment. The amount assessed is based on the size, frontage(s) and zone of the property, the lighting level, street classification and the type of street lighting equipment. About 490,000 parcels, or 2/3 of the parcels in the City benefit from streetlights. City Council assessments (in accordance with City Policy) annually for street lighting maintenance. Your property, being near the specified street lighting, has special benefit, and is assessed to pay for its maintenance assessment consistent with Council Policy. Assessments for maintenance of street lighting are collected through the County Assessor's Office. This is an annual assessment, which covers a 12-month operation period from July 1 to June 30 of this fiscal year. If the proposed maintenance assessments for street lighting are not paid, the assessments indicated below will be collected for this fiscal year, as well as for each following fiscal year.

PROTEST PROCEDURE

There is a protest procedure provided by State and City law (2 and 3 referenced below). Protests presented for consideration of the Council are not binding, regarding the lighting level. The Council may accept or deny the protest at their discretion. Only a majority weighted vote against the assessment, of the electors and property owners, may be used to appeal with the City Clerk at any time PRIOR TO OR ON THE DAY OF THE Final Public Hearing by the City Council on this matter. Written protests filed on the ground or grounds upon which the protest is based, the name and mailing address of the person protesting, a description sufficient to identify the property on which the protest is being filed, and be delivered to the City Clerk, Room 395, Los Angeles City Hall, 200 N. Spring St., Los Angeles, CA 90012. TIME AND PLACE OF PUBLIC HEARINGS Proposition 218, and other State and City laws, require a hearing at the Board of Public Works, a hearing on the Council, and a mailed Notice of the hearings and proceedings accompanied by a ballot. Public Hearing: At 10:00 a.m. on 11/11/2022 in the Council Chamber, Room 200 N. SPRING ST., the Board of Public Works will hold a public hearing at which time property owners or other interested persons may discuss any errors, omissions, or irregularities in the proceedings or assessments for this new street lighting district. Final Public Hearing: At 10:00 a.m. on 11/20/22 in the Los Angeles City Council Chamber, on the Third Floor in CITY HALL. This is also the final day for ballots to be received by the City Clerk. The City Clerk will count the ballots received by this date and report the results to the City Council at a later meeting, at which time the Council may confirm and levy the assessment.
