CITY OF LOS ANGELES

$50,000 REWARD NOTICE
The City of Los Angeles offers a reward payable at the discretion of the City Council to one or more persons in the sum or sums up to an aggregate maximum total sum of $50,000 for information leading to the identification and apprehension of the person or persons responsible for the SHOOTING death of Matthew Price, in the City of Los Angeles. On November 21, 2021, Matthew Price was walking home when a suspect fired a bullet that struck him in the leg. Although the Fire Department rendered medical aid, Mr. Price failed to respond to life saving medical treatment and was pronounced deceased. Detectives have been unable to identify the person responsible for this murder. Detectives are continuing to investigate this crime, but have not been able to identify any suspect or suspects. Detectives believe a reward may compel members of the public to provide information on the person or persons responsible for this crime. The person or persons responsible for this crime represent an ongoing threat to the safety of the people of Los Angeles; therefore, it is appropriate for the City of Los Angeles to offer a reward for information leading to the identification, apprehension and conviction of the person or persons responsible for this crime. Unless withdrawn or paid by City Council action, this offer of reward shall terminate on, and have no effect after, June 10, 2023. The provisions of payment and all other considerations shall be governed by Chapter 12 of Division 19 of the LAAC Code, as amended by Ordinance Nos. 158157 and 166666. This offer shall be given upon the condition that all claimants provide continued cooperation within the criminal justice system relative to this case and is not available to public officers or employees of the City, their families, persons in law enforcement or persons whose misconduct prompted this reward. If you have any information regarding this case, please call the Los Angeles Police Department at 1-877-LAPD-24-7, 24 hours. C. F. No. 22-0010-s25
