DETAILED SUMMARY OF THE MATTER THAT PLAINTIFFS SEEKS TO VALIDATE:
The City of Carson ("City") and the Carson Reclamation Authority, a California joint powers authority ("CRA", and, collectively with "City", "Plaintiffs") have filed a validation action pursuant to Code of Civil Procedure section 860 et seq. to confirm the validity of an Economic Development Benefit Agreement ("Agreement") between the City of Carson, the Carson Reclamation Authority and CAM-Carson LLC ("CAM") approved by City's City Council through adoption of Ordinance No. 23-2311, following a public hearing duly noticed pursuant to Government Code section 53803 and published on the City's website, on or about December 8, 2023, and a second reading on December 28, 2023, and approved by the Board of Directors of the Carson Reclamation Authority ("Authority") on December 28, 2023 to provide twenty six million dollars ($26,000,000) in economic development contributions and subsidies to assist in the development of real property within the City located at 20400 E. Main Street, Carson, California, known as Cell 2 of the 157 Acre Site ("Property").
The Property is located within a former Carson Redevelopment Agency Project area and was previously used as a landfill. Despite diligent efforts by Plaintiff to foster development of a beneficial end use for the Property, it has remained vacant for decades. Many proposed projects have failed due to the nature of the Property as a former landfill. Accordingly, the City Council has found that commercial development of the Property for retail uses is not economically feasible without incentives and benefits as set forth in the Agreement. Plaintiffs have determined that this Agreement will at last allow for the redevelopment of the Property.
Summary of the Economic Development Benefit Agreement
Pursuant to its terms, the City will contribute to the Authority with two sums of money. The first contribution is twenty-one million dollars ($21,000,000). The second contribution is five million dollars ($5,000,000). The Authority is to transfer the first contribution to CAM to assist CAM in funding the construction of the project on Cell 2 after CAM complies with certain requirements by certain deadlines. If CAM fails to comply with these requirements by the specified deadlines, the Authority is required to transfer the first contribution back to the City.
The Authority is to use the second contribution to be used to pay costs for the implementation of certain infrastructure improvements necessary for the project on Cell 2, including, as applicable, costs of design, planning, contracting for the construction of the infrastructure improvements, work necessary to provide a buffer zone upon Cell 1, Site maintenance costs, and all other ancillary costs and expenses associated with same.. Plaintiffs have determined that entering into this Agreement will provide significant ongoing public benefits to the City and promote the public health, safety, and welfare of the community by facilitating opportunity to attract and retain retail facilities within the City, thereby generating additional sales tax revenue and direct and indirect new jobs for area residents. By entering into the Agreement, Plaintiffs expect to overcome at last the constraints imposed by the condition of the Property and establish a beneficial public use.
Plaintiffs in this action seeks to validate the Agreement and the terms and conditions set forth therein. Described generally, pursuant to the Agreement, CAM-Carson, LLC agrees to pursue development of a major retail facility located on the Property in order to generate retail sales and other sales transactions to be consummated pursuant to, among other statutes, California Revenue and Taxation Code section 6001 et seq. and any successor law thereto. City, in consideration of the additional local tax revenues to be collected and remitted by any retail facility for the benefit of City, which would otherwise not be realized if the Property remained vacant, agrees to provide subsidy assistance payments to CRA. The Agreement is required for, among other things, putting the Property to use benefitting the public and in an effort to promote sales tax generating activities. Plaintiffs filed this validation action to obtain a judicial declaration of the validity of the matters alleged in the Complaint and described above.
YOU MAY SEEK THE ADVICE OF AN ATTORNEY IN ANY MATTER CONNECTED WITH THE COMPLAINT OR THIS SUMMONS. SUCH ATTORNEY SHOULD BE CONSULTED PROMPTLY SO THAT YOUR PLEADING MAY BE FILED OR ENTERED WITHIN THE TIME REQUIRED BY THIS SUMMONS.
