CITY OF LOS ANGELES

NOTICE: The following City of Los Angeles ballot measure will appear on the ballot of the voters of the Los Angeles City at their approval or disapproval at the City's General Municipal Election held on March 5, 2024.

INITIATIVE OR PROPOSED INITIATIVE OR DRAIN AS FOLLOWS:

Section 1. This Ordinance shall be known as the Los Angeles Safe Streets for All Initiative (the "Ordinance").

Section 2. Findings. On January 11, 2015, the Los Angeles City Council overwhelmingly approved Mobility Plan 2035 (the "Mobility Plan") as an update to the City's General Plan Transportation Element. The Mobility Plan calls for the construction of a connected network of pedestrian and bicycle routes, transit routes, and vehicle routes with the goal of creating a complete street network to support streets as public places for the safe utilization for all modes of transportation.

On August 25, 2015, the Mayor issued Executive Directive No. 10, Vision Zero (the "Vision Zero") with the goal of eliminating all traffic fatalities and severe injuries by 2025, while increasing safe, healthy, equitable mobility for all.

Section 3. Purpose and Intent. It is the purpose and intent of this Ordinance to require the City to prioritize street enhancements that facilitate the Mobility Plan to ensure that the people of the City of Los Angeles have access to an adequate network of complete streets.

Section 4. The Los Angeles Safe Streets for All Initiative. Section 85.11 of Division G of Chapter VIII of the Los Angeles Municipal Code is added as follows:

SEC. 85.11 The Los Angeles Safe Streets for All Initiative (the "Ordinance"). (a) Definitions. For the purposes of this Section 85.11:

"Enhanced Complete Street System" means the network of major streets described in the Mobility Plan that facilitate multi-modal mobility within the citywide transportation system. This system consists of five networks: Pedestrian-Enhanced Districts, Bicycle-Enhanced Network, Bicycle Lane Network, Transit-Enhanced Network, and the Vehicle-Enhanced Network.

"Improvements" means any paving project or other modification to the street within (18) of a mile in length on a city-owned right of way (including a street, parking strip, or sidewalk). "Improvements" do not include restriping of the road without making other improvements, routine pothole repair, utility cuts, or emergency repairs.

"Mobility Plan" means Mobility Plan 2035, originally adopted by the City Council on August 11, 2015 as the Circulation Element of the City's General Plan, as amended through December 31, 2022.

"Mobility Plan Street" means a street, or segments thereof, identified in the Mobility Plan Network Concept Maps, specific to the Mobility Plan Bicycle Lane Network, Maps C1-C5 – Neighborhood Enhanced Network, Maps D1 – D2 – Bicycle Enhanced Network and Bicycle Lane Network, Map E – Pedestrian Enhanced Districts, and Map G – Goods Movement.

(1) Whenever the City makes improvements to a street, the City-owned Mobility Plan Street, the Mobility Plan Street enhancements described in the Enhanced Complete Street System shall be installed along the segment as part of the improvements undertaken by the City.

(2) The City shall deploy an Open Data Portal or project website that will provide the public access to monitoring and reporting on the implementation of the Mobility Plan as required by this Ordinance. The City shall make the following information publicly available:

(a) A brief description of each improvement project that is completed, ongoing, or planned within the City, including the distance covered by the project;

(b) The location of each improvement project;

(c) The status of each improvement project (e.g. completed, in progress, approved);

(D) The Enhanced Complete Street System enhancements that are planned to be installed or completed; and (E) A list of all improvement projects on Mobility Plan Streets that the City has determined are not required to be improved pursuant to subsection 85.11(b) (1) and the reason the City determined it does not apply.

The City shall make the Open Portal or project website, including information about relevant improvements, available to the public (1) year after the effective date of the Ordinance.

(c) Enforcement. (1) Any individual residing within the city limits of a civil action and who violates or complies with the provisions of this Ordinance.

(2) The court may award to a party, other than the City or any of its commissions, costs, including reasonable attorneys' fees, in any civil action authorized by this Ordinance, his or her costs of litigation, including reasonable attorneys' fees.

This Ordinance may not be repealed or amended without approval of the voters of the City of Los Angeles, provided that nothing herein shall prevent the City, including the City Council, from taking actions that further the purposes of this Ordinance.

Section 6. Conflicting Measures. If two or more measures relating to the City's installation of street enhancements shall appear on the same ballot, the provisions of the other measure shall be deemed in conflict with this measure; and in the event this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the other measure shall be void.

Section 7. Severability. If any provision of this Ordinance, or part thereof, is for any reason held to be invalid, or unconstitutional, the invalidity shall not be affected, but shall remain in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

Section 8. Other Measures. Any ordinance, resolution, or other measure, including any ordinance, resolution, or other measure, that is inconsistent with this Ordinance shall be deemed advisory in nature.
