New street lighting is being proposed for installation near your property. The proposed installation is financed by a private developer as a fully required condition of the development. This is your Notice of Proceedings necessary to finance the maintenance and operation of specified lighting near your property.

Since 1935, Los Angeles City Police has been that all benefiting property owners pay for the maintenance of street lighting near their property, which includes energy, lamp changing, fixture cleaning and repairs, and eventual replacement of deteriorated, obsolete lighting. To date, **maintenance assessments have not been collected for the specified lights.** The recently approved Proposition 218 requires that new and increased assessments be subject to approval by property owners.

ASSESSMENT-AMOUNT AND BASIS

Only those properties that use nearby streetlights for their benefit, and pay an assessment. The amount assessed is based on the size, frontage(s) and zoning of the property, the lighting level, street classification and the type of street lighting equipment. About 490,000 parcels, or 2/3 of the parcels in the City benefit from streetlights and are assessed (in accordance with City Policy) annually for street lighting maintenance.

Your property, being near the specified street lighting, has special benefit, and is proposed to pay a street lighting maintenance assessment, consistent with Council Policy. Assessments for maintenance of street lighting are collected through the County Property Tax Bill.

This is an annual assessment, which covers a 12-month operation period from July 1 to June 30 of this fiscal year. If the proposed maintenance assessments are confirmed and the type of street lighting assessments indicated below will be collected for this fiscal year, as well as for each following fiscal year.

For information, please call (213) 947-1500, Bureau of Lighting, 1149 S. Broadway, 2nd Floor, Los Angeles, CA 90015.

PROTEST PROCEDURE

There is a protest procedure provided by State and City law (2 and 3 referenced below). Protests presented for consideration of the Council are not binding, regardless of their number. The Council accepts and decides on the protests at their discretion. Only a majority weighted vote against the assessment, of those voting, is binding.

Any person may file a written protest or appeal with the City Clerk at any time PRIOR TO OR ON THE DAY OF the final Public Hearing by the City Council on this matter. Written protests must specify the ground or grounds upon which the protest is based, the name and mailing address of the person protesting, a description sufficient to identify the property for which the protest is being made, and be delivered to the City Clerk, Room 395, Los Angeles City Hall, 200 N. Spring St., Los Angeles, CA 90012.

TIME AND PLACE OF PUBLIC HEARINGS

Proposition 218, and other State and City laws, require a hearing at the Board of Public Works, a hearing at the Council Chambers, ON THE THIRD FLOOR of CITY HALL. This is also the final day for ballots to be received by the City Clerk.

The City Clerk will post the results received by this date and report the results to the City Council at a later meeting, at which time the Council may confirm and levy the assessments.
