PORT OF LOS ANGELES – TARIFF NO. 4		Original Page.....
SECTION TWENTY-FIVE EMISSIONS CONTROL STRATEGY CHARGES		
(a) Every OGV that connects or is caused to connect to a CAECS via a CAECS Operator contracted by the Harbor Department on behalf of a Vessel Operator or agent shall pay for the cost of CAECS services supplied and invoiced by the CAECS Operator (through the Harbor Department) for the actual services utilized by said OGV during the CAECS Operator billing period(s).		
i) Exception to this required payment is when CAECS is utilized due to malfunction of Harbor Department owned and maintained shore power infrastructure, or Harbor Department initiated construction prevents the use of shore power. The Harbor Department will determine this responsibility of CAECS services payment. If the Harbor Department determines the Harbor Department is responsible for payment, then Harbor Department will pay the cost of the OGV’s CAECS actual services for the duration of shore power unavailability under these circumstances for the OGV’s visit and waive the service charge.		2505
(b) Vessel Operators or their agents must notify the Harbor Department no less than 10 days prior to the scheduled call that a CAECS Operator contracted by the Harbor Department will be used.		
(c) Services provided by a CAECS Operator contracted by the Harbor Department on behalf of Vessel Operators are subject to changes in rates without notification from the Harbor Department. A service charge of \$1,800.00* per call will be assessed for the utilization of such services.		
*Effective January 1, 2026, and annually thereafter, the service charge will be adjusted as of January 1 automatically without further notice to reflect the percentage increase of the greater of: (a) Two Percent (2%) or (b) the Consumer Price Index (CPI) as adopted by the California Region Consumer Price Index, all Urban Consumers (“CPI”) as adopted by the California Association of Port Authorities (CAPA), or successor index selected by Executive Director in his or her sole reasonable discretion. Such adjusted service charge shall be equal to the product obtained by multiplying the existing service charge amount in effect on the Annual Adjustment Date by a fraction, the numerator of which is the CPI index in effect for the month of November immediately preceding the Annual Adjustment Date, (the “Adjustment Index”) and the denominator of which is the CPI index as it stood on the same month of the prior year (the “Base Index”).  WARNING - IMPORTANT INFORMATION
 California law provides that, for purposes of division of property upon dissolution of a marriage or domestic partnership or upon legal separation, property acquired by the parties during marriage or domestic partnership in joint form is presumed to be community property. If either party to this action should die before the jointly held community property is divided, the language in the will that describes how title is held (i.e., joint tenancy, tenants in common, or community property) will be controlling, and not the community property presumption. If you want the community property presumption to be written into the recorded title to the property.
 ADVERTENCIA—INFORMACIÓN
 De acuerdo a la ley de California, las propiedades adquiridas por las partes durante su matrimonio o pareja de hecho, cualquiera de ellas, se presume que es propiedad comunitaria para fines de la división de bienes que ocurre cuando se produce una disolución o separación legal del matrimonio o pareja de hecho. Si cualquiera de las partes de este caso llega a fallecer antes de que se divida la propiedad comunitaria de tenencia conjunta, el destino de la misma tenencia dependerá de la cláusula de la escritura correspondiente que describen su tenencia (por ej., tenencia conjunta, tenencia en común o propiedad comunitaria) y no por la presunción de propiedad comunitaria. Si quiere que la presunción comunitaria quede registrada en la escritura de la propiedad, debería consultar con un abogado.
