

NOTICE OF INTENT TO CIRCULATE INITIATIVE PETITION FOR THE ESSENTIAL HEALTHCARE RESTORATION ACT FOR LOS ANGELES COUNTY TRANSACTIONS AND USE TAX ORDINANCE INITIATIVE (Cal. Elect. Code § 9163)

NOTICE OF INTENT TO CIRCULATE PETITION

Notice is hereby given by the persons whose names appear hereon of their intention to circulate a petition within Los Angeles County for the purpose of enacting a special transactions and use tax initiative ordinance to provide funding for specified purposes.

A statement of the reasons of the proposed action as contemplated in said petition is as follows (up to 500 words):

The Essential Healthcare Restoration Act for Los Angeles County is needed to help restore health services cuts signed into law by the President, including:

- Protecting access to healthcare for 3.5 million LA County residents
- Preventing the closure of the county's four public hospitals and numerous clinics
- Preventing further overcrowding of emergency rooms
- Restoring disease tracking and water safety monitoring
- Preventing severe healthcare provider layoffs

Restores \$750 million per year in cuts to crucial health services

President Trump's "Big Beautiful Bill" is expected to soon claw \$750 million per year from Los Angeles County Department of Health Services, which oversees four public hospitals and roughly two dozen clinics. Without this ballot measure, thousands of essential healthcare workers are expected to be laid off, leading to closures and longer wait times for care.

Our most vulnerable and working-class communities are the most at risk

Medi-Cal is being eliminated for over a million local low-income families. Health insurance premiums for middle and working-class families are expected to nearly double, forcing many to drop their insurance and causing emergency rooms to fill up as more families are left with no other alternative to seek care.

Everyone will be impacted if we don't restore the health cuts

The Trump health cuts crisis affects more than just a few hospitals or those on Medi-Cal; it will impact everyone. When emergency rooms close, patients do not simply disappear—they crowd into the nearest hospital. This leads to skyrocketing wait times, increased costs, and a decline in the quality of care. Even those who are currently able to afford private insurance will experience longer wait times, higher costs, and greater distances to travel when every minute counts.

The Essential Healthcare Restoration Act for Los Angeles County is strongly supported by essential health care providers because they know it's crucial to ensuring continued access to health and emergency care services for every resident throughout the county.

OFFICIAL TITLE AND SUMMARY

HEALTHCARE FUNDING RESTORATION ACT TRANSACTIONS AND USE TAX ORDINANCE

The purpose of this proposed measure is to enact an ordinance to impose a one-half percent (0.50%) transactions and use tax (commonly referred to as a sales tax) to fund and support healthcare programs and services in Los Angeles County (County) as specified in the measure (Tax).

If approved by a majority of the electors voting on the measure, this measure would add Chapter 4.95 to the Los Angeles County Code.

Proceeds from the Tax would be used as follows:

- Up to 47% to fund a program for non-profit providers to deliver no-cost or reduced cost healthcare to low-income County residents without health insurance;
- 5% to school-based health needs and programs, as determined by the local initiative health authority of Los Angeles County (also known as L.A. Care Health Plan);
- 10% to the County Department of Public Health (DPH) to support core public health functions and grants to support health equity;
- 5% to the County Department of Public Social Services (DPSS) to support Medicaid outreach, enrollment and other programs;
- 2.5% to support County's correctional health services;
- 22% to the County Department of Health Services (DHS) to provide financial support for public hospital and clinical services;
- 5% to support qualifying non-profit safety net hospitals in the County;
- 2.5% for in-home support services (IHSS) for the elderly and those living with disabilities;
- 1% to provide financial support to the City of Pasadena Public Health Department and the City of Long Beach Department of Health and Human Services, as specified;
- To reimburse the County Auditor-Controller for establishing a special account to maintain the Tax proceeds, and for depositing, accounting, and tracking the Tax proceeds; and
- To obtain federal matching funds to the extent permitted by law.

The proceeds of this Tax are intended to supplement, and not supplant, County funding to DPH, DPSS, DHS, and IHSS.

Certain transactions are exempted from the calculation of the Tax, as specified in the measure.

The County Board of Supervisors (Board) will establish an independent Citizens' Oversight Committee (Committee) which will conduct a review of the receipts and expenditures of the Tax and annually report the findings of its review to the Board and the public.

DPH will prepare and submit to the Committee a public report annually on the prior fiscal year's activities related to the Tax, the revenues generated and expenditures expended, funds carried over from prior years, and any remaining funds.

The measure proposes that if any provision is found unconstitutional or invalid, the remaining provisions shall not be affected and remain in full force and effect, and the invalid portions would be severable.

The Tax shall expire on April 1, 2032.
