

NOTICE OF INTENT TO CIRCULATE INITIATIVE PETITION FOR THE FAIR LABOR CONDITIONS, GOOD FAITH NEGOTIATIONS, AND BINDING ARBITRATION FOR LOS ANGELES COUNTY PUBLIC SAFETY EMPLOYEE DISPUTES CHARTER AMENDMENT INITIATIVE (Cal. Elect. Code § 9103)

NOTICE OF INTENT TO CIRCULATE PETITION

Notice is hereby given by the persons whose names appear hereon of their intention to circulate a petition within Los Angeles County for the purpose of enacting a charter amendment concerning fair labor conditions, good faith negotiations, and binding arbitration for public safety employee disputes.

A statement of the reasons of the proposed action as contemplated in said petition is as follows (up to 500 words):

Currently, Los Angeles County public safety employees—including firefighters and sheriff's deputies—must negotiate their contracts with county officials, but there are limited options if they fail to reach agreement on fair wages and benefits. This ballot measure would allow public safety employees and county officials to use binding arbitration to resolve disputes regarding compensation. To this end, public safety employees and the county would be able to submit their proposals to independent experts who would then work to resolve disputes and determine fair wages and benefits.

Therefore, if this measure passes, contract negotiations could be managed by independent experts, not politicians. The County would be required to negotiate in good faith with recognized public safety employee organizations over wages, hours, and terms and conditions. Disputes unresolved after negotiation would be submitted to an independent Board of Arbitrators. The Board of Arbitrators would take public input and adopt procedures to expedite proceedings and reduce costs. Arbitration costs would be shared equally with each party bearing its own costs.

OFFICIAL TITLE AND SUMMARY

CHARTER AMENDMENT REQUIRING BINDING ARBITRATION FOR LABOR DISPUTES WITH CERTIFIED PUBLIC SAFETY EMPLOYEE ORGANIZATIONS

- The proposed measure amends the Los Angeles County Charter (Charter) to establish a binding arbitration process for resolving labor disputes between the County of Los Angeles (County) and certified labor organizations.
- If approved by a majority of electors voting on the measure, this measure would add Section 47.7 to the County Charter.
- The measure applies to certified labor organizations, referred to as "Certified Public Safety Employee Organizations," that represent specified County employees, including: firefighters, sheriffs, district attorney investigators, medical examiners, and lifeguards; their supervisors; and all nonadministrative civilian employees working in the Fire Department, Sheriff's Department and the Department of Medical Examiner.
- The measure requires the County and the Certified Public Safety Employee Organizations (collectively, the Parties) to negotiate in good faith on matters related to wages, hours, and other working conditions, including grievance procedures.
- Following good faith negotiations, unresolved disputes or controversies related to wages, hours, and other terms and conditions of employment are submitted to a three-member Board of Arbitrators for resolution. The following procedures apply:
 - The County and the Certified Public Safety Employee Organizations each appoint one arbitrator. A third arbitrator is agreed to by the Parties and serves as the Chairperson of the Board of Arbitrators. Alternatively, the Parties may waive the appointment of party-appointed arbitrators and proceed with a single arbitrator agreed to by the Parties.
 - The measure imposes requirements on the arbitration process including governance by the California Code of Civil Procedure, conduct of hearings, receipt of evidence, and the adoption of other procedures to encourage agreement, expedite the hearing process, or reduce the cost of arbitration. The rules of evidence prevailing in judicial proceedings may be considered but are not binding.
 - If no agreement is reached prior to the conclusion of the arbitration hearings, each Party will be directed to submit a final offer of settlement on each remaining issue in dispute.
 - The Board of Arbitrators, by majority vote, selects which final offer to impose for each issue based on specified criteria.
 - The Board of Arbitrators provides its decision to the Parties. The decision is not disclosed publicly, and the Parties have 30 days to meet privately to resolve their differences. Any agreements reached by the Parties during that period are incorporated into the Board of Arbitrators' final decision. After 30 days, unless extended by mutual agreement, the decision becomes public and final and is binding on the Parties. No further action by the County Board of Supervisors or by the electorate to confirm or approve the decision is permitted or required.
- The Parties will equally share the cost of arbitration.
- In the event of a conflict between the measure and the Los Angeles County Code, the measure shall control.
- If any provision is found unconstitutional or invalid, the remaining provisions shall not be affected and remain in full force and effect, and the invalid portions would be severable.
