CITY OF LOS ANGELES

EXECUTIVE DIRECTIVE NO. 23
Issue Date: October 23, 2026
Subject: Modernizing the City's Emergency Response System Introduction

Every second counts during an emergency. Day-in and day-out, our city's Police Service Representatives (PSRs) answer and triage Angelenos' 911 calls. Once a call is answered, the City must be equipped to send the most appropriate response. Not all emergencies require a traditional law enforcement response. In fact, many are better served by our growing civilian crisis response programs, which dispatch social workers, clinicians, and mental health professionals. Currently, the City's civilian crisis response programs, Unarmed Model of Crisis Response (UMCR) and Crisis Incident Response through Community Engagement (CIRCLE), are served by separate dispatch centers, each possessing their own set of contractors and software systems. As PSRs triage calls, they must not only determine whether the call is eligible for civilian crisis response, but to which of the two programs they should divert the call. This consumes precious time.

The City has made important progress in aligning and clarifying call types and eligibility criteria for civilian crisis response, helping PSRs more readily identify calls that can be safely diverted from law enforcement. These improvements are an important step toward increasing diversion and reducing unnecessary demands on sworn resources. However, these programs' dispatch centers must be unified and more thoroughly integrated into the city's emergency response system, which will help PSRs quickly route calls to the appropriate responder. In turn, sworn personnel can focus on calls that require traditional law enforcement, while unarmed crisis responders focus on calls requiring trauma-informed care.

Improving 911 performance demands a comprehensive approach that requires establishing a unified infrastructure for civilian crisis response, modernizing emergency communications technology, and filling funded PSR vacancies. By addressing each of these, the City will reduce 911 answering times, improve the delivery of emergency services, and provide residents with faster and more appropriate responses. When Angelenos call 911, they deserve help immediately.

Therefore, I hereby direct the following:

I. ESTABLISH A UNIFIED CALL CENTER FOR CIVILIAN CRISIS RESPONSE

A. The City Administrative Officer (CAO), through the appropriate procurement function and in coordination with the Mayor's Office, Los Angeles Police Department (LAPD), Los Angeles Fire Department (LAFD), Ad Hoc Committee on Unarmed Response, and other relevant departments and programs, shall develop and release two requests for proposals

implementation of the unified call center during Fiscal Year 2026-27, including technology development, systems integration, procurement, testing, and other one-time implementation to fully implement and operate the unified civilian crisis response call center, including staffing, technology, licensing, maintenance, data management, systems integration, contract administration, and other ongoing operating costs necessary for full implementation of the unified call center.

C. In the implementation of this directive, the Mayor's Office will continue working with the City Council and relevant departments to determine the appropriate long-term governance and organizational structure for the City's civilian crisis response system.

II. DEPLOY TECHNOLOGY TO IMPROVE 911 CALL ANSWERING

A. Direct the LAPD, in coordination with ITA and the Mayor's Office, to evaluate current and recommend future technology improvements to the city's emergency communications infrastructure, including any available improvements that will enable effective automated call management and multilingual capabilities.

B. Direct the LAPD, in coordination with ITA, to report in 60 days on:

1. The status and results of any artificial intelligence or automated technology pilots intended to assist PSRs with 911 call intake, triage, transcription, quality assurance, call processing, or other emergency communications functions;
2. Available data regarding whether these technologies, where implemented, have reduced call-processing time, improved PSR productivity, increased call-answering capacity, or otherwise affected 911 wait times.

3. Additional technologies that could improve the speed and efficiency of 911 call answering, processing, and dispatch while supporting PSR decision-making and maintaining appropriate human oversight;

4. Technology, infrastructure, staffing, labor, privacy, cybersecurity, or policy barriers to broader implementation, and a recommended timeline for technology enhancements that can strengthen PSR capacity, improve emergency communications, and address potential workforce impacts.

6. Opportunities to engage and collaborate with labor representatives in evaluating, developing, and implementing technology improvements to ensure that new technologies support PSRs in performing their duties more efficiently, preserve their essential role in emergency communications, and address potential workforce impacts.

III. BUILDING THE 911 RESPONSE FORCE OF THE FUTURE

A. Direct the Personnel Department, in coordination with LAPD, to submit a joint report and implementation plan to the Personnel and Hiring Committee and Budget and Finance Committee in 60 days. This report and analysis should support Council's pending report from the City Legislative Analyst (CF 26-0600-S36). The plan shall include:

1. The number of additional, funded, filled, and vacant senior PSR and PSR and positions (and related and pertinent classifications, vacancy and attrition rates, and the status of standing PSR candidate lists and hiring pipelines).
2. An assessment of barriers contributing to vacancies and timeline for filling funded vacancies.
3. Opportunities to accelerate recruitment, testing, background review, hiring, onboarding, and strategies to improve recruitment and retention.
4. The feasibility of establishing year-round recruitment and recurring hiring cycles throughout the year, similar to the recruitment and hiring model used for sworn LAPD personnel, to maintain a consistent pipeline of qualified PSR candidates and more quickly fill vacancies.

5. Immediate actions that can be taken to accelerate hiring and longer-term strategies necessary to meet the city's 911 call-answering performance goals.

6. Any training or preparation that can improve senior PSR and PSR response times and ability to discern when it is appropriate to divert calls to our civilian crisis response programs.

B. Concurrent with the release of the report indicated above, direct the CAO to review the report's findings and identify any funds that are appropriate and necessary to implement the reforms for consideration by the Mayor and the City Council, either a standalone transmittal or in the context of a Financial Staff Report.

IV. ESTABLISH DISPATCH PERFORMANCE MEASURES

A. Request the Board of Police Commissioners to direct the LAPD, in coordination with the CAO, Personnel Department, and ITA, to establish baseline data for the city's current 911 call-answering performance and develop measurable targets for improvement that shall be used to guide future investments in staffing, technology, and civilian crisis response infrastructure.

B. Request the Board of Police Commissioners to direct the LAPD to report in 60 days on baseline performance crisis response programs, including reducing 911 call-answering wait times. Performance measures shall include, at minimum:

1. Average and median 911 call-answering time;
2. Percentage of 911 calls answered within applicable performance standards;
3. Number and percentage of calls exceeding established wait-time thresholds;
4. 911 call abandonment rates;
5. Call volume and calls processed per PSR.

6. Number and percentage of eligible calls transferred or diverted to civilian crisis response;

7. Time required to transfer eligible calls to civilian crisis response;

8. Other measures necessary to determine whether staffing, technology, and civilian crisis response integration are improving emergency communications performance.

NOTICE OF ANTICIPATED EXPEDITED RELINQUISHMENT OF THE PARENT-CHILD LEGAL RELATIONSHIP

TO: KANARCI COLLINS, Respondent

YOU ARE HEREBY NOTIFIED PURSUANT TO C.R.S. § 19-5-103.7, AS FOLLOWS:

You have been identified by Heather Lorraine Damon as the alleged birth father of her child, Kamari Von Damon, who was born on February 10, 2026, in Colorado.

2. Ms. Damon plans to relinquish her

parental rights to the child on an expedited basis in the Arapahoe County District Court, State of Colorado, where the adoption agency has an office, pursuant to C.R.S. § 19-5-103.5 in order to make the child available for adoption.

Placing a child for adoption requires termination of the birth mother and alleged birth father(s) parent-child legal relationships. Termination of parental rights means that pursuant to a court order, all rights powers, privileges, immunities, duties and obligations existing between a parent and a child are permanently severed, except for inheritance rights, which will be severed at the time of the final decree of adoption. Upon termination of parental rights, a parent shall: (a) no longer have the right to custody of, or parenting time with the child; (b) no longer have the right to any information concerning the whereabouts, activities, health, or well-being of the child; and (c) have no say in any further decisions concerning said child.

3. A birth parent of a child has the right to contest the termination of parental rights.

4. Failure to declare intent to contest the termination of parental rights may likely result in a termination of parental rights to the child. In order to contest the termination of the parent-child legal relationship, YOU MUST:

Request and then return a "Reply Form to Notice of Anticipated Expedited Relinquishment" to Colorado Christian Services at the above address or to Grob & Erinch, LLC, 12596 W. Bayaud Ave., Suite 390 Lakewood, CO 80228 by Certified Mail, Return Receipt Requested, no later than twenty-one (21) days after the date of this notice or before the birth mother's relinquishment petition is filed with the court, whichever occurs later. The date of notice shall be considered the date of the first day of publication in the newspaper.

OR:

Request and return a "Reply Form to Notice of Anticipated Expedited Relinquishment" in person to Colorado Christian Services, at the address indicated above, no later than twenty-one (21) days after the date of this notice or before the birth mother's relinquishment petition is filed with the court, whichever occurs later. The date of notice shall be considered the date of the first day of publication in the newspaper.

5. You may also waive your right to contest the termination of parental rights and doing so will likely result in a termination of any parental rights you may have to the child. If you do not believe that you are the father of this child, please check the appropriate box on the reply form.

IF YOU ARE FURTHER NOTIFIED THAT IF YOU FAIL TO PROPERLY REPLY TO THIS NOTICE IN A MANNER DESCRIBED ABOVE, YOU ALSO WAIVE YOUR RIGHT TO ANY FURTHER NOTICE RELATED TO THE ANTICIPATED EXPEDITED RELINQUISHMENT PROCEEDINGS AND YOUR PARENTAL RIGHTS, IF ANY, WILL LIKELY BE TERMINATED BY THE COURT.
