WARNING - IMPORTANT INFORMATION
California law provides that, for purposes of division of property upon dissolution of a marriage or domestic partnership or upon legal separation, property acquired by the parties during marriage or domestic partnership in joint form is presumed to be community property. If either party to this action should die before the jointly held community property is divided, the language in the deed that characterizes how title is held (i.e., joint tenancy, tenants in common, or community property) will be controlling, and not the community property presumption. You should consult your attorney if you want the community property presumption to be written into the recorded title to the property.
ADVERTENCIA - IMFORMACIÓN IMPORTANTE
De acuerdo a la ley de California, las propiedades adquiridas por las partes durante su matrimonio o pareja de hecho en forma conjunta se consideran propiedad comunitaria para fines de la división de bienes que ocurre cuando se produce una disolución o separación legal del matrimonio o pareja de hecho. Si cualquiera de las partes de este caso llega a fallecer antes de que se divida la propiedad comunitaria de tenencia conjunta, el destino de la misma quedará determinado por las cláusulas de la escritura correspondiente que describen su tenencia (por ej., tenencia conjunta, tenencia en común o propiedad comunitaria) y no por la presunción de propiedad comunitaria. Si quiere que la presunción comunitaria quede registrada en la escritura de la propiedad, debería consultar con un abogado.
