the liability period as an Operation and Administration Coordinator at a salary of \$72,000.00 per year.

21. Plaintiff ALLISON SOLED was employed by Defendants COBRID, INC. and CHRISTOPHER HAMMOND through the liability period as a Project Owner at a salary of \$165,000.00 per year.

22. Plaintiff APRIL TAPLEY was employed by Defendants COBRID, INC. and CHRISTOPHER HAMMOND through the liability period as a Junior Graphic Designer at a salary of \$82,000.00 per year.

23. Defendants required all Plaintiffs to be on-site 5 days a week for a minimum of 40 hours per week.

24. Plaintiff NATALIE CASEY was hired as a W-2 employee and plaintiffs NIDA NUÑEZ, ALLISON SOLED and APRIL TAPLEY were misclassified as contractors as defendants clearly controlled and set plaintiffs work hours and required them to be in the office a minimum of 40 hours per week.

25. Plaintiffs entered into a Settlement Agreement which provided that should defendants fail to pay the agreed upon sums, the Agreement shall be null and void. Plaintiffs have not received the agreed upon sums and as such, plaintiffs are exercising their right to void the agreement.

FIRST CAUSE OF ACTION FOR FAILURE TO PAY WAGES AND OVERTIME

(Against All Defendants.)

26. Plaintiffs re-allege and incorporate paragraphs 1 through 25, inclusive of this Complaint as though fully set forth herein.

27. Pursuant to Labor Code §§204, 215, 216, 218.5, 510, 1174, 1194, 1194.2, 1197, and 1199, it is unlawful for an employer cause to suffer or permit an employee to work without paying wages for all hours worked as required by the applicable W/C Wage Order. The requirement to pay wages for all hours worked applies to each and every hour worked.

28. Under the provisions of the Labor Code and the applicable Wage Order, Plaintiffs should have received regular wages in a sum according to proof for the hours worked, but not to be compensated for the relevant liability period. Defendants therefore owe Plaintiffs regular wages and have failed and refused, and continue to fail and refuse, to pay Plaintiffs the amount owed.

29. At all relevant times herein, Defendants have regularly and consistently maintained corporate policies and procedures designed to intentionally withhold Plaintiffs wages in order to reduce its labor costs. Plaintiffs are informed and believe and thereupon allege that Defendant CHRISTOPHER HAMMOND as the Chief Executive Officer of Defendants COBRID, INC., established, created and implemented the COBRID, INC. corporate policy to intentionally mischaracterizing its employees as Independent Contractors rather than as Employees. As such, Defendants engaged in corporate policy to intentionally withhold Plaintiffs wages in order to reduce its labor costs. Plaintiffs are informed and believe and thereupon allege that Defendant CHRISTOPHER HAMMOND as the Chief Executive Officer of Defendants COBRID, INC., established, created and implemented the COBRID, INC. corporate policy to intentionally mischaracterizing its employees as Independent Contractors rather than as Employees and withhold Plaintiffs wages in order to reduce its labor costs.

30. Labor Code §1194(a) provides in relevant part: "any employee receiving less than the legal minimum wage or the legal overtime compensation applicable to the employee is entitled to recover in an action the unpaid minimum wage or overtime compensation, including interest thereon, reasonable attorney's fees, and costs of suit."

31. As a result of the unlawful acts of Defendants, and each of them, Plaintiffs have been deprived of wages owed in amounts to be proven at trial, and they are entitled to recover the amount of wages, interest, penalties, and attorney's fees and costs pursuant to Labor Code §§ 218.5, 1194, and 1194.2.

SECOND CAUSE OF ACTION FOR FAILURE TO PROVIDE ACCURATE ITEMIZED WAGE STATEMENTS

(Against All Defendants.)

32. Plaintiffs re-allege and incorporate paragraphs 1 through 31, inclusive, of this Complaint as though fully set forth herein.

33. Labor Code §226(a) requires that Defendants, each time wages are paid, to furnish employees with an accurate itemized statement in writing showing, inter alia, the total wages earned by each nonexempt employee and the corresponding hourly rate and the net wages earned. Section 226 requires each employer to furnish accurate itemized wage statements, which shall include, reflecting (1) the gross wages earned, (2) the total hours worked, except for those whose compensation is based solely on salary and (3) the number of piece-rate units earned and any applicable piece-rate if the employee is paid on a piece-rate basis, (4) all deductions, (5) net wages earned, (6) the dates of the period for which the employee is paid, (7) the name of the employee and last four digits of the employee's social security number or identification number, (8) the name and address of the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee.

34. Throughout the period applicable to this cause of action, Defendants intentionally failed to furnish to Plaintiffs, upon each payment of wages, itemized statements accurately showing, among other matters: total hours worked, the applicable hourly rates in effect during the pay period, and the corresponding number of hours worked at each hourly rate by the employee and the corresponding number of hours worked at each hourly rate by the employee.

35. Plaintiffs were damaged by these failures because, among other things, the failures led them to believe that they were not entitled to be paid overtime, even though they were so entitled, and because the failures hindered a determination of accurate wages owed.

36. Labor Code §226 (e) provides that if an employer knowingly and intentionally fails to furnish accurate itemized wage statements with the information required in that section, then the employee is entitled to recover the greater of all damages or \$50 for the initial pay period violation and \$100 for each subsequent violation, up to \$4,000. As a result, Defendants are liable to Plaintiffs for such amounts, together with interest, attorney's fees, and costs as provided by Labor Code section 226(e).

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully pray for judgment against Defendants, and each of them, according to proof, as follows:

For compensatory damages; For special damages, according to proof; For costs of suit; For reasonable attorney's fees; For such other and further relief as the Court may deem just and proper.

SUMMONS ON FIRST AMENDED COMPLAINT (CI/TACION JUDICIAL)

CASE NUMBER (Número del Caso): 21STCV08882

NOTICE TO DEFENDANT (AVISO AL DEMANDADO): NIKOLAS KONSTANT, et al. vs. AGRONAVIATION, LLC, DOES and void. Plaintiffs have not received the agreed upon sums and as such, plaintiffs are exercising their right to void the agreement.

YOU ARE BEING SUED BY PLAINTIFF (LO ESTÁ DEMANDANDO) EL/ELLA: BARRY G. FLORENCE (EL DEMANDANTE). You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association. NOTE: The court has a statutory lien for waived fees and costs on any settlement or judgment awarded to you. If you do not pay the court fees, the court may schedule a hearing on the matter to be heard and must change the hearing scheduled below to show cause, if any, why the petition for change of name should not be granted. Any person objecting to the name changes described above must file a written objection that includes the reasons for the objection at least two court days before the matter is scheduled to be heard and must change the hearing scheduled below to show cause, if any, why the petition for change of name should not be granted. NOTICE OF PROPOSED TITLE V SIGNIFICANT REVISION PERMIT

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties.

Anyone wishing to install or modify any diesel fueled internal combustion engines in this region must first obtain an AQMD Rule 3008 requires that the South Coast Air Quality Management District (SCAQMD) publish this notice of the issuance of significant revision of a Title V permit. A Title V permit has previously been issued to the facility listed below:

690 N. Studebaker Rd
Long Beach, CA 90803
Facility ID# 115394
Contact Person:
Cherie Williams
AES Alamitos
690 N. Studebaker Rd
Long Beach, CA 90803

The plant is a peat plant that operates three utility boiler generators and two combined cycle gas turbine generators. It is proposing to install two identical emergency electric generators driven by two diesel fueled internal combustion engines. The equipment will supply power in case of an electrical emergency.

The engines are subject to New Source Review (NSR) under Title V (Part 600 Subpart III) and National Emissions Standards for Hazardous Air Pollutants (40 CFR Part 63 Subpart ZZZZ). Pursuant to the federal Clean Air Act, the South Coast AQMD Rule 3000(b)(3)(I), the proposed installation of two engines is considered a significant permit revision.

The proposed permit can be viewed on the web at <http://www.scaqmd.gov/webapp/publicnotices2> by entering the Facility ID 115394 followed by selecting the Search Button. Information regarding the facility and the proposed permit is also available at <https://www.scaqmd.gov/>.

Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by July 21, 2022. Written comments should be submitted to: South Coast Air Quality Management District, Permit Review and Approval, Engineering & Permitting, 21865 Copley Drive, Diamond Bar, CA 91765-4178. Attention: Ms. Angela Shibata

For more information or to review additional supporting documents, please contact Ms. Angela Shibata at (909) 396-2725 or EPA Region 9. If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department.

The public may request the South Coast AQMD to conduct a public hearing on the proposed Title V permit by submitting a request to the Permit Review and Approval (RVA) to Ms. Shibata at the above South Coast AQMD address. The South Coast AQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the internet at <http://www.scaqmd.gov/docs/default-source/permitting/permit-review-and-approval/Request-for-public-hearings-are-due-by-July-6-2022-A-copy-of-the-hearing-request-must-also-be-sent-by-first-class-mail-to-the-appropriate-facility-contact-person.pdf>

Right to Petition U.S. Environmental Protection Agency (EPA) for Reconsideration: Title V Permits are also subject to review and approval by EPA. If a public comment is sent to the South Coast AQMD for this permit, and the EPA has not objected to the proposed permit, then the public may submit a petition requesting that the EPA reconsider the decision not to object. Petitions shall be filed with the Permit Review and Approval Section at 75 Hawthorne Street, San Francisco, CA 94105, within 60 days after the end of the 45-day EPA review period. The EPA review period for this permit starts no earlier than July 17, 2022. EPA's review status may be found at <http://www2.epa.gov/caa-permitting/electronic-permit-submission-region-9>.
